## DESCRIPTION

---

The perfect jacket for extreme cold. Featuring a dual layer of performance insulation and loaded with extra features for maximum warmth and comfort.

Our warmest jacket ever! The X35J has two layers of high performance insulation to keep the warmth close to your body. The combined weight of both layers is 350gsm, the warmest jacket we have ever designed!

Typically used by drivers who work in the deep freeze. This jacket is perfectly suited to lower activity job roles due to the dual layers of insulation.

Featuring an elasticated back and FlexEasy on the shoulders for an extremely comfortable fit.

Hardwearing, colourfast FlexiTog HTY22 wind resistant fabric ensures you will have a friend for life! To maximise longevity, dark coloured fabrics are used across the front of the body, back, and lower arms.

- 280g fabric
- 350gsm insulation
- Fur lined pockets
- Reflective on back
- Lower back
- High fur-lined Collar
- Nylon ski style cuffs
